EDUCATION

Asansol Engineering College

2020 - Present

Bachelor of Technology in Electronics and Communication Engineering (MAKAUT) - 8.99 CGPA

Gourangdi R.K.S.Institution (H.S.)

2019

Higher Secondary Education (WBCHSE) - 67.20%

Gourangdi R.K.S.Institution (H.S.)

2016

Secondary Education (WBBSE) - 65.86%

SKILLS

- **Programming** - C, Java, OOP, DSA
- **Web & Frameworks** - HTML, CSS, Tailwind CSS, JavaScript
- **Tools/Applications** - Visual Studio Code, IntelliJ IDE, Git & GitHub

PROJECTS

SmoothlyPay

- Developed a user-friendly payment interface using HTML, CSS, JavaScript, and Tailwind CSS.
- Ensured seamless payments and incorporated security features.
- Achieved responsiveness and cross-browser compatibility while providing real-time transaction notifications.

Dev Detective

- Enables users to search for GitHub repositories by entering a username.
- Utilized the GitHub API to fetch and display developer details and repositories.
- Demonstrated proficiency in front-end web development and API integration.

RFID Attendance System

- Integrated RFID technology with NodeMCU for real-time attendance tracking.
- Eliminated manual processes, reducing errors and saving time.
- Enabled remote access and streamlined administrative tasks, enhancing productivity

CERTIFICATIONS

Object Oriented Programming in Java,

University of California San Diego (Coursera)

Web Development Ultimate Course,

Learn Tech Plus (Udemy)

ACHIEVEMENTS

5 Star Java in HackerRank

200+ problems solved at GeeksforGeeks

68th rank among 2500+ college-mates on GeeksforGeeks.
